

Eilik Main Features

- ★Eilik 4 basic emotional states: normal, happy, angry, and sad. More than one thousand emotional expressions will appear on Eilik's face.
- ★Eilik comes with three touching areas. Head, belly, and back.
- ★Eilik is equipped with four EM3 servos, which makes Eilik's body movements more lifelike and agile.
- ★Eilik has many built-in features and interactive games, such as Pomodoro Timer, Talking Toy, Left or Right, Monster Shooter, etc. Let's join Eilik in the battle against the monsters!
- ★Dancing is engraved in Eilik's DNA; he enjoys dancing to the musical rhythm. The more kinds of music or beats you share with Eilik, the more dance moves he will perform.
- ★No Bluetooth, and No Wi-Fi needed. Just power on Eilik and play with him whenever you want.
