Article-no.:	SW.10000.14 – SW.10000.17 (large) SW.10000.18 – SW.10000.21 (small)

Product description:

LAUFMAUS® is an ergonomically shaped and ultra-light grip element for the hands, made of SMMA Resirene CET 250 special plastic, which has good sterilization properties, is thermally stable and has a high resistance to alcohol. In addition, the plastic fulfills the FDA & USP Class VI food and medical compliance requirements and is used in various areas of application (e.g. in soap dispensers, cosmetic packaging, household goods and drinks).

Tests by Flowtastic GmbH confirmed the manufacturer's information with regard to the resistance of the material in contact with various disinfectants.

LAUFMAUS® ...

- ... optimizes posture
- ... reduces joint load
- ... improves running and walking pattern
- ... increases vitality for walkers and runners

LAUFMAUS® is available in three sizes and in total in 7 colours.

Unique selling propositions

- Patented in USA and EU
- Known from "Die Höhle der Löwen" (German Shark Tank)
- Efficacy scientifically proven
- Product longevity
- 100% Made in Germany
- Nominated for the „Innovation Awards Ergonomics“

PRODUCT DATA SHEET

Technical description:

Product measurements:

small

Length: 15 cm
Width: 5,5 cm
Height: 6 cm
Weight: 23 g

large

Length: 17 cm
Width: 9,4 cm
Height: 9,4 cm
Weight: 33 g

kids

Length: 13,6 cm
Width: 4,4 cm
Height: 3,7 cm
Weight: 17 g

Product package:

Length: 20 cm
Width: 10 cm
Height: 10,9 cm
Weight: 56 g

Measures single unit
incl. delivery packaging:

Length: 21,3 cm
Width: 10,5 cm
Height: 9,6 cm
Weight: 76 g

Product details:

- LAUFMAUS[®]-pair (left/right) with finger strap, wrist band (various colours) incl. stopper
- Booklet incl. description
- Pouch

RRP: € 79,-
