

- MONITOR YOUR HEART RATE, STRAP FREE!
- WORKS BEST WITH SENSORIA HRM AND SENSORIA FITNESS APP
- COMPATIBLE WITH POLAR H7 AND GARMIN PREMIUM
- COMPATIBLE WITH THIRD PARTY APPS

MUST BE USED WITH HRM:

- BLUETOOTH® SMART
- FCC
- ANT+

The Sensoria® Fitness Sports Bra provides you with accurate and consistent heart rate monitoring without the hassle of wearing a strap. The sports Bra offers a comfortable low/medium support and can be used with most Bluetooth Smart heart rate monitor with standard snaps. Pair the HRM with the Sensoria Fitness mobile app to easily track your fitness activity. Made of 74% polyamide, 18% polyester and 8% elastane, the Sensoria Fitness Sports Bra is light and breathable to minimize body temperature fluctuations. The sweat wicking technology alleviates discomfort by removing humidity and allowing your body to stay dry in all climates.

### FEATURES
