INSTRUCTIONS

Print out this page at 100%. Do not scale to fit.

For silicone band sizing:

- 1 Cut out the sample band on the right and wrap it around your wrist with the gray end on top.
- 2 Pick whichever size matches up with the gray end and you're set!

For stainless steel band sizing:

- 1 Cut out the sample band below and wrap it around your wrist with the light blue end on top.
- 2 If the dark blue end meets up with the light blue, the stainless steel bands will fit your wrist.
